

## **Hard-Boiled Egg in a Cup**

1 Egg

Paper Cup (the 7oz Dixie kind works good)

Water

### *Directions:*

Place an egg with shell on in the paper cup. Fill with water. Make a hole in your red hot coals for the cup and sit the cup in the hole. The water will boil and the paper won't burn. Let boil 10 minutes, remove from fire and enjoy your hard boiled egg.
